

TERMINATION OF THE CRIMINAL PROCEEDING BEFORE THE COURT OF ROME

Turin, 22 September 2025 – Juventus Football Club S.p.A. announces that today the Judge for the Preliminary Hearing (*Giudice dell'Udienza Preliminare*) of the Tribunal of Rome has accepted the requests for application of the penalty (*istanza di applicazione della pena su richiesta*) on request of all the parties (defendants and Public Prosecutors), pursuant to articles 444 et seq. of the Italian Code of Criminal Procedure, and has pronounced a judgment of dismissal (*sentenza di non luogo a procedere*) with respect to one of the defendants.

Following the *patteggiamento* (plea agreement), the Company will be required to pay a pecuniary sanction of Euro 157 thousand.

The plea agreement does not entail any admission or recognition of liability. The Company, while reiterating the correctness of its conduct and the soundness of its defensive arguments, has deemed it appropriate to resort to this instrument in the best interest of the Company itself, its shareholders and all stakeholders (within or outside the sporting sector), securing the conclusion of its procedural position in relation to a proceeding commenced in November 2021 and concerning matters now dating back in time.

The other plea agreements accepted, with regard to certain individuals, provide for penalties not exceeding 1 year and 8 months – all subject to conditional suspension (*sospensione condizionale*) – and, for the remaining individuals, pecuniary sanctions only.

The decision of the Judge of the Preliminary Hearing of the Tribunal of Rome shall become final upon expiry of the term of 15 days from the date of communication to the General Prosecutor's Office.

The Company further informs that, in this context, as of today, settlement agreements have been reached with certain civil parties (*parti civili*) admitted to the criminal proceeding, including Consob, consumers associations, as well as approximately one third of the other civil parties.
