Turin, 19 June 2022 – Juventus Football Club S.p.A announces that Atalanta B.C. S.p.A., following the agreement signed on 6 August 2021, has exercised the option rights for the definitive acquisition of the registration rights of the player Merih Demiral for a consideration of € 20 million, to be paid in 4 financial years; which might be increased by a maximum of € 2.5 million upon achievement of specific sporting performance objectives over the duration of the employment contract with the player.

The agreement also includes a potential bonus, in favor of Juventus, of 10% of the increased consideration deriving from any future transfer (temporary or definitive) of the player's registration rights to a third-party club, compared to the amount already paid by Atalanta to Juventus.

This operation generates a positive economic effect of approximately € 11.2 million.
