

GENERAL TERMS AND CONDITIONS OF SEASON PASSES AND SALE OF TEMPORARY PARKING SPACES FOR INDIVIDUAL MATCHES IN JUVENTUS PARKING AREAS

1. All purchases of temporary parking spaces in one of the Juventus Parking Areas are subject to the following conditions. Please read these General Terms and Conditions carefully before making any purchase. By making any purchase you fully accept these General Terms and Conditions.
2. Definitions.

"Club" or "Juventus" is understood as Juventus Football Club S.p.A., tax ID, VAT, and Turin Companies Registry No. 00470470014, with its registered office at Via Druento 175, Turin.

"Website" means the www.juventus.com website.

"App" refers to the application made available by Juventus to purchase the services governed by these General Terms and Conditions;

"Client" or "User" means the person (natural, legal or other legal entity) who, identified through registration with the Website and completion of the Parking purchase request, has requested and signed an order for the temporary use of a parking space within one of the available Parking Areas.

"General Terms and Conditions" means these general terms and conditions for a season pass and sale of parking spaces for individual matches in Juventus Parking Areas that regulate the relationship between Juventus and the Client.

"Allianz Stadium" means the stadium belonging to Juventus located in Turin.

"Parking Area" is the uncovered or underground area, equipped for the temporary parking of cars or motorcycles, delineated by bars/barriers of the entry and exit points, adjacent to the Allianz Stadium.

"Championship Parking" refers to the availability via a season pass of a temporary parking space within the Parking Area for all home matches played by Juventus at the Allianz Stadium in the Serie A Italian Championship.

"Championship Parking Pass" is the season access pass to the Parking Area which is valid only for all Championship home matches released to the Client by Juventus.

"Daily Parking" is the availability of a temporary parking space within the Parking Area for each selected event.
3. By completing the purchase request, accepting these General Terms and Conditions, and paying the price, an agreement is made whereby temporary use of a parking space within the Parking Area is granted, without any obligation for the Club to monitor or guard the vehicle, nor to protect any of the contents therein. The services envisaged under the agreement will be provided only for the home matches identified in the purchase request. During such times, the Parking Area will be in operation starting three (3) hours prior to the start of the match and up to 1 hour afterwards.
4. In particular, the agreement grants, for the times and under the conditions set out below, temporary use of a maximum number of one (1) parking space within the Parking Area - identified in the purchase request - for the parking of vehicles or motorcycles without trailers of any kind, with the exclusion of any other means of transport and also excluding any provision of supervision or monitoring, both of the vehicle as well as the contents therein, during:
 - a single Juventus home match in the case of purchase of the Daily Parking.
 - home matches of the Serie A Italian Championship played and organised by the Juventus first team in the Football Season in question, in accordance with the calendar - dates and places - established by the National Professional League and its possible changes (expressly excluded therefore are all matches, even if played by the Juventus first team at the Allianz Stadium, not organised by Juventus, such as, for example, finals matches), in the event of purchase of Championship Parking".
5. The Home Match may be played at a time fixed by Lega Nazionale Professionisti Serie A between the date of the so-called advance and that of so-called postponement (according to the "match windows" established by the competition organiser) and those changes will be published promptly by the Club, through its official channels, following the official press release of Lega Nazionale Professionisti Serie A. Changes concerning advancements and postponements relating to each calendar day established and communicated by the competent sports organisations do not give the right to a refund or compensation. Changes outside the "match window" will only give the purchaser the right to reimbursement of the cost of the Daily car pass, subject to the correct and complete implementation of the reimbursement procedure that is periodically indicated on the website www.juventus.com.
6. The concession of Championship Parking is subject to possession of a valid season ticket for the Juventus Championship Matches in the same Football Season. Each season pass holder is entitled to a single Championship Parking. The Client acknowledges and agrees that, in the absence of the conditions that allowed for the issuance of the season pass to the stadium, it shall no longer be used and the Client will be required to return to Juventus the Championship Parking Pass which will be cancelled, disabled, or invalidated, without any right to reimbursement, and in any case the client may not be able to use the Championship Parking.
