

Terms and conditions of use of Season Tickets 2023/2024 Football Season

1. The season ticket is a seasonal admission ticket which entitles the holder to access the stadium and the chance to watch Home Matches of the men's first team of Juventus Football Club S.p.A. for which public participation is permitted from the allocated seat (or from the different seat assigned by Juventus for justified organisational reasons, force majeure, act of God, public order, safety, requirements of public or sporting authorities). These matches take place in accordance with the prescriptions and rules set out the legal systems of the state and of the sport's management bodies (hereinafter "**Juventus**"), or matches played by the men's first team of Juventus "at home" according to the Sports Regulations that apply to the 2022/2023 Serie A League Championship, in line with the schedule, dates and times established by the F.I.G.C. Serie A National Professional League and any possible changes it may introduce to said details, whatever the cause of such a change.
2. There are two versions of the season ticket, which differ depending on the tariff, the characteristics of which are illustrated in the appropriate sections of the Juventus Website: (i) Basic Pass and (ii) Full Pass. The under 28, under 16 and Ridotto I rates only provide access to the Basic Pass. Only fans with disabilities, walking, who have a certificate attesting a disability between 67% and 100%, are entitled to the Ridotto I rate.
3. The issue of the season ticket is subject to the acknowledgement and acceptance of these terms and conditions as well as the **Regulation Code on the Transfer of Tickets to Football Matches**, (hereinafter also "**Code of Conduct**") in the version in force at the time. The Holder is the person who, duly identified and subject to signing the season ticket contract, obtains the issuance of the season ticket in his/her name (hereinafter also "**Season Ticket Holder**").
4. The purchase and issue of the season ticket are subject to ownership of a valid digital Juventus Card (formerly Fan Card) issued by Juventus. If a valid Juventus Card (formerly Fan Card) is not held, the Season Ticket Holder must renew/purchase a new Juventus Card and have it physically in his/her possession when purchasing the season ticket. If the Juventus Card cannot be issued due to the existence of hindering reasons, the season ticket may not be issued. To gain access to the Stadium, the Season Ticket Holder must use the digital medium represented by the Juventus Card (formerly Fan Card) in his/her possession issued by Juventus, which contains the fiscal ticket to the Stadium for the relevant Football Season. The aforementioned Juventus Card (formerly Fan Card) is the only valid document that permits entry to the Stadium, albeit not excluding the possibility of further checks being carried out in compliance with any supervening regulations and/or decisions of authorities (such as verification of the Green Pass) and the possibility of being asked to produce (and the obligation to fulfil) a valid identity document (identity card, passport or driving licence). Once purchased, the season ticket will be available on the "My Purchases" section on the website <http://tickets.juventus.com> (hereinafter [Official Ticket Shop Juventus](http://tickets.juventus.com)) which will provide access to the printable pdf seat marker with an indication of the sector, row and seat number of the purchased season ticket, which the Season Ticket Holder must retain and bring with him/her to the Stadium so that a valid paper document evidencing the right to occupy the specific seat can be promptly presented if a third party claims the same occupied seat. The possible absence of separation barriers between the various sectors does not entitle a Subscriber to occupy a seat position other than the one indicated on the placeholder. Staff on duty at the stadium have the right to check whether the placeholder matches the place actually occupied by the Subscriber and to remove the latter from the stadium if he / she occupies a place other than the one indicated in the placeholder.
5. The season ticket is a named ticket and is strictly personal and cannot be transferred to third parties, except in the cases expressly permitted by Juventus as better specified *below*. Therefore the Season Ticket Holder is responsible for all consequences that may result from the use of the admission ticket by third parties and undertakes: (i) not to allow the season ticket to be used by persons who are banned from entering sport facilities (and/or purchasing the respective tickets) in accordance with Italian Law no. 41/2007, (ii) not to use the season ticket for trading or speculation purposes (iii) not to trade or resell the seat or transfer the ticket to third parties (even via online sales platforms that fuel the so-called secondary ticketing phenomenon, such as, by way of non-limiting example: Viagogo, Ticketbis, Ticket4football, StubHub etc.), even if part of an offer of services and/or complementary

products or to create packages including the ticket to be put up for sale, resale or transfer to third parties even for just a single event.

The staff in charge of the sports facilities will verify, in compliance with the requirements, that the name on the ticket matches the name of the person who produces it, by requesting the production of a valid identity document; entry may be denied in the event of a discrepancy, as well as to those who are not provided with a valid identity document. Juventus is entitled not to provide the service or to interrupt its provision on a permanent basis to the Season Ticket Holder and to any who is found holding the season ticket and/or has made the ticket available and/or benefited from it, if by doing so they breach of these General Terms and their Annexes, without thereby giving rise to any claims of a total or partial refund of the fee for the Season Ticket Holder or the third party user.

6. The transfer of the ticket for individual matches, where contemplated by the type of season ticket underwritten by the Subscriber, is only possible via the season ticket online management system on the Official Ticket Shop Juventus according to the following procedure:

a) **Name Change:** transfer of the Season Ticket Holder's seat free of charge for the individual match to a Reserve as defined below;

b) **Seat Resale:** return of the seat to Juventus, which may, at its own discretion, place it back on sale on the normal channels and which, only in the event of a positive outcome of the sale, shall return a share to the Season Ticket Holder, in the form of a shop credit/voucher which can be spent on other product available at the Juventus ticket office by the deadline indicated by Juventus.

Access to the Name Change and Seat Sale procedure through the season ticket online management system is subject: (i) to the type of subscription underwritten; (ii) to possession of a valid Juventus Card (formerly Fan Card) issued by Juventus, (iii) registration on the Official Ticket Shop Juventus managed by PG Italia S.r.l., and on Juventus' official website www.Juventus.com

The right to transfer the ticket is in any case subject to any limits imposed, even for individual matches, by the competent authorities.

Any unauthorised transfer of the ticket and undue use of the name change system constitute an illegal use of the season ticket. If the Club identifies any illegal uses of the season ticket, it may, at its own discretion, suspend the season ticket for one or more matches or revoke it.

6.1 Specific rules regulating the Name Change function

- The Name Change is not permitted for Disability rate season tickets;
- The Subscriber cannot be the Reserve of another Subscriber;
- Without prejudice to the prohibition on the name change on Ridotto I rate season tickets, for all other special and/or reduced rate season tickets, the Name Change is permitted exclusively in favour of Reserves having the same requirements/parameters indicated in the specific type of season ticket (e.g. under 16 rate, under 28 rate, etc.).
- Basic season ticket holders can name up to a maximum of No. 2 (two) people, besides the Ticket Holder, who can take advantage of the season ticket during the course of the season, provided they also hold a valid Juventus Card (formerly Fan Card), to whom they may transfer the seat free of charge (henceforth "**Reserves**") for a maximum of 6 matches by transferring the admission ticket onto their Juventus Card (formerly Fan Card).
- Full season ticket holders can name up to a maximum of No. 4 (four) Reserves (no. 8 Reserves for Season Ticket holders registered to the Juventus Official Fan Club who purchase the Full Season Ticket via their own Juventus Official Fan Club), provided that they are also in possession of a valid Juventus Card (formerly Fan Card), to whom it will be possible to transfer their seat free of charge each of the matches included on their season ticket by transferring the admission ticket onto their Juventus Card (formerly Fan Card).
- In order for the Reserve to be able to use the ticket for the individual match through the Name Change procedure, the Reserve must be in possession of the valid Juventus Card (formerly Fan Card) issued by Juventus to which the physical ticket to the Stadium will be transferred for the specific match.
- The names of the Reserves may be entered at any time during the sports season, in the personal *My Season Pass* area of the Official Ticket Shop Juventus in the "*Holder and Reserves*" section and may be changed until the Reserve is selected for the transfer of the ticket for at least one match. Once a name change has been assigned to the Reserve, if the change was successful, the name of the Reserve can no longer be changed. If, at first assignment, the name change operation is not successful, it will still be possible to change the name of the Reserve. The system will notify the Season Ticket Holder of the change of name and, if the operation is not successful, the reason for the lack of finalisation. If, after an initial name change, the Season Ticket Holder performs a second name change for the same

match, both names used will be blocked and may no longer be identifiable as Reserves.

- Once the name change has been finalised successfully, the Season Ticket Holder may download a pdf to be printed and provided to the selected Reserve as evidence of the assigned seat.
- The name change may be carried out and another Reserve may be selected, or the seat may be taken back up to the time of 11:59 pm of the day before the match; once this deadline has passed, it will no longer be possible to perform any operation or modification.
- The Season Ticket Holder accepts responsibility for collecting, verifying and communicating, via the season ticket online management system, the details of the Reserves, of which he/she guarantees the accuracy and truthfulness, relative to data processing regulations. The Reserves' personal data will only be processed for the purpose of providing the service, and retained for the time needed to do so, in line with the legal provisions in force. The Season Ticket Holder will be responsible for informing the Reserves of the data processing and, where necessary, for obtaining authorisation to communicate the data to Juventus.

6.2 Specific rules governing the Seat Sale function

- The Season Ticket Holder may express their desire to give up the seat for the individual match and place it on sale via the season ticket online management system.
- The option can be exercised within the *My Season Pass* personal area of the Official Ticket Shop Juventus, where the Full Season Ticket Holder can select the function relating to the sale of their seat for the individual match. The operation can be performed up until 11:59 pm of the day before the match, notwithstanding that after the opening of ticket sales for the aforementioned match, once the option of putting the ticket up for sale has been selected, it will no longer be possible for the Season Ticket Holder to change his/her mind and reacquire the seat.
- Full Season Ticket holders who opt to put their ticket up for sale cannot have any other admission ticket in their name up until the time when the sale of the ticket to third parties has been successfully concluded;
- If the sale of the seat is not completed, the admission ticket for the individual match will once again become available to the Season Ticket Holder who will therefore be able to access the stadium with his / her Juventus Card;
- Juventus may decide, at its sole discretion, if and when to put the seat up for sale.
- Only when the seat is sold will the Season Ticket Holder be granted a credit equal to 51% of the sale price at which Juventus resold the seat. The sale price is established by Juventus, at its sole discretion and it will be the one available on the Official Ticket Shop Juventus for tickets in the same sector at the time of sale.
- The credit may not be converted into cash and may only be spent to purchase Juventus products from the [Official Ticket Shop Juventus](#), in particular:
 - ✓ Juventus Museum and Stadium Tour tickets.
 - ✓ tickets not included in the season ticket for Juventus first-team matches played at the Allianz Stadium, exclusively in the name of the Season Ticket Holder (it may not be used to purchase tickets for third parties);
 - ✓ tickets for the other Juventus Women and Next Gen teams, on sale at the Official Ticket Shop
 - ✓ renewal of the Season Ticket Holder's Season ticket for the next sports season (it may not be used to renew the season ticket of third parties).
- The credit accrued may not be used to pay the sale commissions applied by the provider of the ticket services (PG Italia Srl) on ticket purchases via the [Official Ticket Shop Juventus](#).
- The available credit can be consulted in the reserved area *My Balance*; this will be duly updated after each Home Match within 5 days after the same has been played.
- The credit will expire at the end of the season ticket campaign for the next football season and, if not used for the full value, will not be convertible into cash and will be eliminated/removed from the Season Ticket Holder's personal page.

7. The season ticket is valid for one Football Season (and by football season we are here referring to the period from 1 July to 30 June of the next year) starting from the first Home Match following the issue of the ticket, and is valid for the Home Matches of the Italian League Championship.

As envisaged by the rules of the Lega Nazionale Professionisti – F.I.G.C., if matches are suspended after the second half has started, the season ticket cannot be used to access any rescheduled match.

If the sector of the stadium in which the Season Ticket Holder's seat is located is closed, the latter - provided that he/she has not contributed to causing the liability, even objectively, of the Club - will be entitled to a pro rata refund of the season

ticket, unless Juventus provides a replacement ticket stub that enables the match to be watched in another sector of the Stadium.

If the authorities require the match to be played at a neutral ground or behind closed doors, the Season Ticket Holder - provided he/she has not contributed to causing the liability, even objectively, of Juventus - will be entitled to a pro rata refund of the season ticket for the matches in which the circumstance occurred or, at his/her choice, to a replacement ticket stub to watch the match in the other stadium (subject to availability).

Except in the case of culpable breach by the Club, any compensation for damages and travel expenses is excluded, even where the authorities require the match to be played on neutral ground; such costs are borne by the Season Ticket Holder. Juventus may assign a different seat from that indicated on the season ticket for reasons of force majeure, act of God, public order, safety, works in progress or at the order of the Public Safety Authority, Lega Nazionale Professionisti, Osservatorio, CASMS or any other competent body. In this instance, the assigned seat will be of equal or greater value than the one purchased.

If a refund is to be provided, the only accepted methods will be those communicated by Juventus, without prejudice to the application of the current in force legislation.

8. The Season Ticket Holder acknowledges that the season ticket was purchased taking into account the epidemic situation of the last 2 years due to the spread of the coronavirus disease (COVID-19); therefore, any impossibility for the Season Ticket Holder and/or the Reserve to use the season ticket, even for just one Home Match, for reasons related to COVID-19 such as, merely by way of example but without limitation: testing positive for COVID-19, being subject to restrictive isolation/quarantine measures or prohibition on leaving the region/municipality, limitations and pre-requisites for Stadium access imposed by the legislation and/or the authorities such as, for example, the need to obtain a *green pass* or similar requirements) may not be considered an extraordinary and unexpected event and will not entitle the Season Ticket Holder to make any claim against Juventus for a refund and/or reduction, even partial, of the price of the season ticket and will not legitimise any action against Juventus.

As the sole exception to the above, if, as a consequence of the measures adopted by the competent authorities to combat the spread of Covid-19, any event and/or sports match is forbidden from taking place or must take place behind closed doors or with limited audience, Juventus will refund the pro rata amount of the season ticket for which the circumstance has occurred, excluding any compensation for damages. The only accepted refund methods will be those communicated by Juventus, without prejudice to the application of the legislation in force at the time.

9. The Season Ticket Holder and/or the Reserve acknowledge and accept that photographs and/or audio and video recordings may be made inside the Stadium and to that end they consent to being photographed, recorded or filmed by Juventus and/or by any third parties employed by the same.

Juventus will have the right to use, modify, alter, transmit, publish, broadcast, transfer and grant on licence, without territorial or time limits, all photographic and/or audio and/or video recordings concerning the voice, image, figure and/or portrait of the Season Ticket Holder and/or Reserve within the Stadium, with freedom of use for any purpose, on any format or medium used to take those recordings currently known (by way of example but without limitation: audio, video, photo, film, multimedia, digital, television, magnetic medium or any other technological medium, including television, radio, internet and/or other online network) or that is invented in future.

Those recordings may be used, modified, altered, broadcast, published, disseminated, transferred and granted on licence, in all methods, without limitation, for any purpose and aim - by way of example but without limitation:

- i. editorial uses related to publishing initiatives implemented by the official communication bodies of Juventus (published in any language),
- ii. broadcasting (in any part of the world, live or recorded) of those recordings (alone and/or in other programmes and/or materials) on radio and/or television - public, private and pay-per-view - via the Internet and/or mobile applications, in cinemas and on any other media, including the screens inside the stadium.
- iii. for archival purposes,
- iv. for the provision of services offered for any reason to the public, including but not limited to fan entertainment activities,
- v. for use for promo-advertising and commercial purposes,

all in compliance with rights related to dignity, reputation and decorum and within the limits established by the legislation in force.

10. The Season Ticket Holder is obliged – by adopting suitable measures – to keep and correctly use the Juventus Card (formerly Fan Card) on which the season ticket is uploaded and will therefore be responsible for any consequences resulting from the use of the same by third parties. If the card is lost, stolen or removed, the holder of the Juventus Card (formerly Fan Card) must immediately report it to the competent authorities. Subject to producing the report to Juventus, the Season Ticket Holder may request the immediate deactivation of the lost or stolen Juventus Card and the issuance of a new card, subject to paying the cost of the same, on which the season ticket will be uploaded. The season ticket may be suspended for one or more official matches, without this giving rise to the payment of any compensation, return of the fee paid, even pro rata, or indemnity if the Season Ticket Holder has negligently (for example through negligent custody or delayed communication to Juventus of the theft or loss of the ticket) or wilfully permitted another person to make use (or attempt to make use) of the Juventus Card (formerly Fan Card) in order to access the stadium.

11. The use of the Season Ticket by the Season Ticket Holder and/or the Reserve entails the acceptance of these terms and conditions as well as those of the **Code Regulating the Sale of Tickets for football events**, and of dispositions of the **"Stadium Regulations"** for the sports facility in which the First Team of Juventus will play their Home Matches (hereinafter even simply **"Regulations"**), in the versions in force from time to time, and with any other provision, code, rule or regulation applicable to those entering the stadium to watch the match, adopted by Juventus in compliance with every applicable regulation and published on the www.juventus.com site. Juventus also reserves the right to unilaterally modify these conditions, the Code of Conduct, the Regulation, and any other disposition, rule, code or regulation applicable to anyone accessing the stadium to watch a match, in compliance with any supervening regulation as applicable, without this entitling the Season Ticket Holder to any compensation, indemnity or right to terminate the Subscription. Any changes to said documents will be communicated to the Season Ticket Holder by e-mail. Compliance with said provisions is an essential condition for spectators entering and stationing in the stadium. Their violation, along with any failure to comply with instructions issued by any of the stewards in charge of supervising their compliance, constitutes a form of "Relevant Conduct" that may be sanctioned with the institution of "Non-Approval" pursuant to the Code of Conduct.

12. Access to the sports facility may involve mandatory preventive and safety searches of the person seeking access and on his/her bags and other belongings he/she may be carrying, with the sole aim of preventing illegal objects or illegal substances being introduced into the stadium, seeing as they are prohibited or might encourage or provoke acts of violence.

13. If, during the course of the Football Season for which the Season ticket has been purchased, the Season Ticket Holder and/or the Reserve are subjected to administrative or judicial measures that lead to a ban on entering any stadium (Italian Law 401/89 and subsequent amendments) or if he/she breaches the "Regulation on Stadium Use", or the "Code of Conduct", or violates the prohibition on transfer indicated in Articles 4 and 5 above, the right to access the stadium may be inhibited, without the Season Ticket Holder and/or the Reserve being entitled to receive compensation or indemnities for lack of use of the season ticket.

14. The Season Ticket Holder and/or the Reserve, also in accordance with the Code of Conduct, are required to behave in a manner that does not cause an inconvenience to other spectators and not to perform any acts that denigrate, offend or impolitely challenge persons, authorities and public and/or private institutions, as well as the Club and the away team and the respective employees and/or representatives, security staff, stewards and hostesses, or fans of the opposing team. The Club will therefore have the right to remove the spectator from the sports facility and, in the most serious cases, to suspend the season ticket for one or more matches or for the entire Football Season, with no entitlement for the Season Ticket Holder to compensation, return of the fee paid, even pro rata, or indemnity.

The season ticket may be withdrawn, deactivated or its use temporarily or permanently prohibited at any time in the cases envisaged by law and by these conditions and by the Regulation Code on the Transfer of Tickets for Football Matches.

15. Services included in the season ticket price

In addition to the transfer of the Subscription to be exercised within the terms set forth in art. 5, the Season Ticket Holder, depending on the type of subscription purchased, can access the following additional services:

15.1 Right of pre-emption for Cup Matches

Right of pre-emption, to be exercised according to the terms and procedures that will be published, in each case, on the website www.juventus.com, for the purchase of a ticket for Home Matches of Italian or European Cup competitions (henceforth "**Cups**"), if and to the extent to which Juventus' first team is admitted/qualifies, which Juventus will communicate, at its discretion, during the 2023/2024 Football Season.

During the season, Juventus reserves the right to offer packages for the Cups, including stadium tickets issued at particularly advantageous economic conditions for a limited number of Home Matches that the first team of Juventus will be entitled to play in the aforementioned Cups. The Season Ticket Holder has the right of pre-emption on the purchase of these packages; tickets for the individual Home Matches included in the package will not be subject to the Right of pre-emption.

The right of pre-emption is guaranteed on one's seat, with the exception of season tickets in the East sectors of the Allianz Stadium, for which Juventus will publish the seats subject to restrictions in each instance. The Season Ticket Holder involved in the restriction may purchase the ticket in the available seats in the same sector or in another sector identified and communicated by Juventus.

The tickets for the Cups purchased in pre-emption by the Season Ticket Holder of the Basic Pass may not be transferred to others for any reason and will therefore not be subject to a name change; on the other hand, it will be possible to change the name on tickets purchased in pre-emption, at the Change Name rate applied to Full Season Ticket holders. The name change can only be made through the online management system of the season ticket on the Official Ticket Shop Juventus. Juventus will communicate in each case the terms and procedure for the name change on these tickets.

15.2 Pre-emption season ticket 2023/2024

Right of pre-emption to be exercised, according to the terms and methods that will be published, in each case, on the website www.juventus.com, on the purchase of the season ticket for the next Football Season; in particular, Season Ticket Holders will have a reserved sale session when they will be able to purchase the season ticket before the sales are opened to the general public.

Juventus reserves the right to decide on the sectors of the Allianz Stadium available for season ticket sales for the following Sporting Season. The season ticket holders affected by the restriction will be able to purchase the season ticket in the seats available in other sectors identified and communicated by Juventus.

15.3 Discounts

50% discount on the purchase of a J1897 Membership for the 2023-2024 season reserved exclusively for the Full Season Ticket Holder who will receive the discount code to be entered in the online purchase procedure for J897 Membership on the website www.juventus.com at the e-mail address of their My Ticket Shop account.

A Junior Black & White Membership for the 2023-2024 season free of charge for each season ticket holder under 11 who holds a Full Season Ticket in sector 116 of the Allianz Stadium. The manager of the subscription in the name of the minor will receive a discount code at the e-mail address of his / her My Ticket Shop account to be entered in the Junior Black & White Membership online purchase procedure on the website www.juventus.com.

16. Use of the available services via the Official Ticket Shop Juventus is subject to the terms and conditions of use of the Official Juventus Ticket Shop website which is offered and is under the control and management of PG Italia S.r.l., with registered office in Via Morimondo 26, 20143 Milan, Tax Code and VAT number 10514980969 and Companies Register no. 2537217.

17. In accordance with Art. 59, section n) of Italian Legislative Decree no. 21/2014, the purchase of the season ticket, even when purchased off-premises, does not qualify for the right of withdrawal provided under Art. 52 of that Decree, as they

concern leisure-related services which involve a specific period or date of performance. There shall be no reimbursement for the price of the season ticket, if cancelled by the purchaser.

18. The season ticket terms and conditions of use are regulated by Italian law. Any dispute concerning the validity, application, interpretation, execution and termination of these conditions of use will be referred to the Chamber of Commerce of Turin and settled according to the Conciliation Rules adopted by the Chamber itself. If the Parties decide to refer to the ordinary Judicial Authority, the only competent Court will be that of Turin, or the court in the place of residence or chosen domicile of the Season Ticket Holder, if he/she is classified as "consumer" according to Italian Legislative Decree no. 206/2005. The Season Ticket Holder, providing the latter is considered a Consumer, has the right to attempt an out-of-court settlement of disputes relating to consumer contracts via the procedures pursuant to Part V, Title II bis of the Consumer Code (ADR – Alternative Dispute Resolution). With reference to possible alternative dispute resolution instruments, it is noted that a European platform has been established for the online resolution of consumer disputes (so-called ODR platform). The ODR platform is accessible at the following address <https://ec.europa.eu/consumers/odr/main>. Via the ODR platform, the Season Ticket Holder can consult the list of ADR bodies, find the link to their website and start an online resolution procedure for the dispute in which he/she is involved.

Further details about alternative/online procedures for settling disputes may be found at the following link https://europa.eu/youreurope/business/dealing-with-customers/solving-disputes/online-dispute-resolution/index_it.htm.

This is in any case without prejudice to the rights of the Season Ticket Holder to apply to the competent ordinary court for disputes arising from the season ticket contract, whatever the outcome of the out-of-court settlement procedure.

19. The personal data of the Season Ticket Holder and any Reserves will be processed, even using electronic tools, in respect of applicable regulations on personal data processing and protection, according to what is specified in the full privacy policy published in the privacy section of the website: <https://www.juventus.com/it/privacy>. The Season Ticket Holder undertakes to notify the Reserves of the use proposed by Juventus of their personal data.

20. The Season Ticket Holder and/or the Reserve undertake to respect the legislation in force on the prevention of Covid-19 as well as the provisions and specific rules aimed at containing the spread of Covid-19 that are adopted by Juventus from time to time and published on the website www.juventus.com, in respect of the Covid-19 legislation in force, whereby Covid-19 legislation means any law, measure, circular, protocol, guideline in relation to containing and managing Covid-19, issued and/or being issued by the competent Authorities. Any breach of the preventive rules and dispositions listed above and/or failure to comply with the instructions of the stewards in charge of supervising the respect of these same rules constitutes a "Relevant Conduct" that may be sanctioned with the "institution of non-approval" in accordance with the Code of Conduct.

21. Please note that the squad may undergo significant changes during the sporting season. The use of the image of some players of the squad for promotional purposes as part of the season ticket campaign does not constitute a guarantee of their permanence in the team.
